Research  
Foundation

November 10, 2022

Ms. Tina Crowder  
Crowder  
901 Geddie Road  
Tallahassee, FL 32304

Dear Tina,

The 19<sup>th</sup> Annual Kingfish Shootout at C-Quarters Marina on August 5-7, 2022 was another terrific success!! The event raised \$65,000 and brought the historical total to nearly \$1.2 million raised through the annual event benefitting the Leukemia Research Foundation over the years. Extraordinary!!!

The Kingfish Shootout has done so much to further the Foundaton's mission. Those results are extremely impressive and serve as a testament to Jimmie, your entire family, friends, participants, C-Quarters staff, vendors and, of course, to Lisa Crowder Jackson.

We are honored and, quite frankly, humbled that you have chosen the Leukemia Research Foundation to be your charity of choice for this annual event. Through your kindness, the Leukemia Research Foundation is able to continue funding the cutting edge research that has led to significant advancements in the treatment of leukemia.

The incredible stories of courage and strength featuring those who have battled the disease we seek to cure provide ongoing motivation to continue our pursuit. Then there are those, like your team, who are so especially notable. Thank you again for everything. You truly are all exceptional and have touched more lives than you'll ever know.

Very truly yours,

Kevin Radelet  
Executive Director
